The gang looking windswept and interesting on the blustery Blackpool seafront. Rumour has it that Lyn's hair is still stuck to her glasses!

### Making Memories

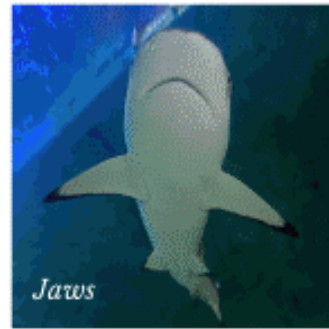

To escape the windy weather the group enjoyed some fantastic trips out. Underwater discoveries at the Sea Life Centre, 'meeting' a whole host of celebrities at Madame Tussauds, and a posh Afternoon Tea in the Ballroom.

### Fancy Dress Fun!

The Bond Hotel didn't just provide comfortable rooms and delicious food, they also offered some fantastic entertainment for guests. Karaoke, a fabulous Dolly Parton tribute, and the biggest fancy dress competition the Hotel had ever seen! Our clients and staff absolutely loved dressing up - from Dalek's to pirates, Oompa Loompas to sailors, everyone put their all into the evening and made some very fond memories.

The lovely Jenny claimed first prize in the fancy dress competition dressed in a beautiful blue Mary Poppins outfit. Jenny's prize is a free return trip to the hotel - perhaps she will arrive in true Mary Poppin's style, descending from the sky with an umbrella!
