

Jubilee Celebrations

June marked the Queen's Platinum Jubilee celebrations. In Worcester we celebrated with a fantastic Afternoon Tea; finger sandwiches (including one of Her Majesty's favourites - cucumber and mint), scones with jam and clotted cream, and cakes made by our lovely staff. Clients enjoyed taking their photos with the Queen, playing 'Pin the Tail on the Corgi' and waving their Union Jack flags during a group singalong!

Kidderminster & Bromsgrove also enjoyed their own tea party with a selection of delicious food and nostalgic songs. The winner of 'Pin the Tail on the Corgi' was very pleased to take home his prize, a jar of marmalade - how very British!

Royal Crafts

During the weeks leading up to the Jubilee Bank Holiday our Worcester clients had great fun making Corgi's out of terracotta pots and felt, decorative crowns, and some tasty Royal themed biscuits.

A Royal Visit
 Our Jubilee party was a huge success, even Her Majesty was able to clear space in her busy schedule to join in the fun!

Here Comes The Sun!

June treated us to some gloriously sunny days. Jenny & Dolly made the most of the sun and ventured down to the local canal to feed the ducks.

With the sunny weather comes great gardening opportunities - the Worcester garden is bursting with beautiful flowers, fragrant herbs, and our wormery is coming along nicely.

National Trust Visit

Bromsgrove clients treated themselves to a spot of lunch at Baddesley Clinton

If you have any ideas for future activities, events, or workshops I'd love to hear from you. Email me on MMcCutcheon@hwtl.org.uk
